- 27 May ☽ ♂ ♏ 01:34 am EST Tran-Tran 00° 00'
Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.
- 27 May ☽ ♀ ♏ 04:43 am EST Tran-Tran 01° 045'
The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.
- 27 May ☽ ☐ ☼ 08:52 am EST Tran-Nat 04° 03'
Things are not as in tune as they might be, but resolution and progress are possible through mutual recognition and compromise. Impact priorities and be ready to give on small points in order to gain on the large ones. Competition can be strong, but it makes you stronger, and this is where you earn respect and trust.
- 27 May ☽ ✕ ☼ 02:03 pm EST Tran-Tran 06° 056'
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 27 May ☽ △ ♏ 02:25 pm EST Tran-Nat 07° 09'
If you follow well-marked roads your trip will be shorter and you won't get lost. Stick to the tried and true and don't experiment for the moment. You'll find support from elements that might otherwise pull away. Don't rock the boat and the boat will get you where you want to go. Traditional wisdom supports you, believe in it.
- 27 May ☽ ☐ ♏ 04:35 pm EST Tran-Tran 08° 021'
Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.
- 27 May ☽ ✕ ♏ 07:14 pm EST Tran-Nat 07° 09'

Settled ways are sometimes the best, and right now your inner routine may be right in tune with the rest of the world. If it ain't broke, don't fix it, just enjoy the way it runs. In the face of a changing world, the little things that remain the same are a comfort and provide reassurance of an enduring foundation.
