

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

the heart grows another size.

02 May ☿ △ ♂ 06:55 am EST Tran-Nat  03° 14' 45"

This is a good time to establish your physical stride at its best, a broad, loping run that eats up the miles of life. Pick a preferred pace that you can live up to, and your energy level will actually rise and your accomplishments blossom. Wise, intuitive decisions make you fuel efficient with energy to burn.

02 May ☿ ✖ ☉ 07:27 am EST Tran-Nat  04° 14' 03"

Compatible forces surround you and it pays not to make waves, but welcome the help and share the wealth. Diplomacy and consideration will get you everywhere, so be on your best behavior and you'll be in like Flynn. Small, multiple moves are favored over big leaps, they mount up and you go just as far.

02 May ☿ △ ♄ 12:19 pm EST Tran-Tran  06° 14' 57"

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

02 May ☿ △ ♀ 06:39 pm EST Tran-Tran  10° 14' 45"

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

02 May ☿ △ ☉ 10:40 pm EST Tran-Tran  13° 14' 11"

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

02 May ☿ ✖ ♀ 11:50 pm EST Tran-Nat  13° 14' 53"

Putting in a good word on the QT will be better than hollering. Ideas slipped into the conversation will find automatic response and agreement. Low-profile exchanges will snowball into a general consensus if you pursue quiet leadership and follow your intuition. Gentle feelings illuminate the mind.

03 May ☿ ♂ 03 02:37 am EST Tran-Nat  15° 14' 34"

Telephone storm, hasty social get-togethers, and communication overloads come and go. A good time to get quick points across with maximum brevity so it all fits in and is clear in the future -- wasted words come all too easy here.

03 May ♂ ☐ ♀ 06:33 am EST Tran-Nat  23° 14' 21"

Running out of gas on a dark country road is never fun, so it might be well to stick to the well-lit streets of life for a bit, as you may have less to bring to the task and a greater likelihood of losing control of it. This, too, will pass, and with a refilled tank, you can go anywhere you want.

03 May ☿ ♂ ♀ 06:44 am EST Tran-Nat  18° 14' 04"

Heightened appetites (of all sorts) are a natural this time of the month, as will be opportunities

to fulfill them. Pick as you would from a smorgasbord and don't chow down too heavily -- the taste is what counts, volume only slows you down. Variety is the spice, intensity the sweetness, whatever or whoever is involved.

03 May ☽ ☐ ♀ 10:06 am EST Tran-Tran  20° 17'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

03 May ☽ ♂ ♀ 10:22 am EST Tran-Tran  20° 17'

As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.

03 May ☽ ♂ ♀ 01:05 pm EST Tran-Nat  21° 57'

An elusive fear, a shadow from a dream may creep up on you, but simply toss it off, as you're not likely to be able to pin it down. Proceed as if you were on course, and the seemingly premonitory wind will pass unfulfilled, as it was just a memory. When you encounter a stop sign, there's a reason for it. Look both ways, then proceed.

03 May ☽ ✱ ♀ 03:22 pm EST Tran-Nat  23° 21'

One dream at a time, small hopes compounding to become great expectations, that's the road to your pot of gold at the end of the rainbow. All-consuming fantasies have their place, but building possible dreams now can make the impossible one walk right in later. Dream a little dream, for you....

03 May ☽ ♂ ♀ 04:04 pm EST Tran-Nat  13° 53'

Keeping on track with the plans you made six months ago may be more difficult than you envisioned, as a general energy and brain drain makes focus and endurance hard to retain. Reformulate where necessary, otherwise do what you can to regroup and stick with the original strategy and get it back on track.

03 May ☽ △ ♀ 06:01 pm EST Tran-Tran  24° 58'

A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.

03 May ☽ △ ♀ 09:25 pm EST Tran-Tran  27° 04'

Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.

03 May ☽ ♂ ♀ 09:38 pm EST Tran-Nat  27° 12'

The itch to break away from the normal path and do something radical may have to be resisted but it shouldn't be ignored. Perhaps it's just what's needed, but only if you do it with decisiveness and clarity, as you probably won't be able to take it back. A peek into the

unusual can be both entertaining and edifying.

03 May ☽ ✨ Asc 10:45 pm EST Tran-Nat [REDACTED] 27° 17' 53"

Quiet, low-profile support carries you along. It's a good time to get together with close friends or acquaintances and just socialize. Communication comes easy, and you can get yourself across without having to work at it. By joining in the general company, you enjoy the benefits of all.

03 May ♀ □ ♀ 10:53 pm EST Tran-Tran [REDACTED] 20° 11' 18"

Desires deceive and getting hold of what's wanted seems to be a continuing and elusive task. Watch out for illusions and delusions being sold as the real thing, then snatched out of reach just before consummation. If you're unsure, don't invest time or money or you'll be perpetuating the situation.

04 May ☽ ♂ ♄ 02:10 am EST Tran-Tran [REDACTED] 00° 00' 00"

Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.

04 May ☽ △ ♄ 05:16 am EST Tran-Tran [REDACTED] 01° 05' 55"

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

04 May ♀ ♂ ♀ 05:38 am EST Tran-Nat [REDACTED] 13° 05' 53"

This is likely not your sharpest time of year, and communications can become spotty and fitful. There's interference in the phone lines of your mind, so you may have to repeat your messages several times to get through to others, or even to yourself. Just hack at it, and give yourself the extra time to make it all clear.

04 May ☽ □ ♂ 08:12 am EST Tran-Nat [REDACTED] 03° 04' 45"

If you find yourself being pushed into situations that tax your limits, make sure they're worth the energy you expend. Repetitive stress injury, so to speak, is something you want to avoid, so do enough to get the job done properly and no more. The price of perfection may be dislocation elsewhere, so don't overdo it.

04 May ☽ ♂ ♄ 01:40 pm EST Tran-Nat [REDACTED] 07° 09' 09"

Sporadic slowdowns and roadblocks may interfere with your timetable, but not your final destination. Mark the shoals as you work your way around them so they won't trip you up the next time. When you know your limitations, the course becomes clearer -- take it as a lesson and don't cry over spilt milk.

04 May ♀ ♂ ☉ 04:42 pm EST Tran-Tran [REDACTED] 14° 05' 52"

High mental energy burns hot, a real brain boiler. The trick is to keep up with everyone without missing a stitch or dropping the ball. Great ideas abound, but don't buy everything you see until you give it a second, cooler look. Everyone can be too close to the subject to realize that what recommends it is only the heat of the moment.

- 05 May ☽♂♉ 05:01 am EST Tran-Nat  16°±45'
 You may do well to turn your energies inward for a bit and clean things up on the home front. Tie up loose ends, fulfill delayed promises, and generally pull yourself together. You can't make a home run if you can't see home base, so sweep it clean for that future dash to score.
- 05 May ☽♂♉ 05:01 am EST Tran-Nat  16°±45'
 An eye to your back-up, extra fuel tanks, and general supply lines marks this lunar transit -- making sure that things are in control back on the farm (they may let you know, for sure, at this time!). Resolving issues at your rear allows for the next advance.
- 05 May ♂♂☽ 08:41 am EST Tran-Nat  24°≈47'
 Waves of strong emotion may come and go, with periods of intense feeling followed by tapped-out times when you're not up to getting involved. It can be easy to be more passionate than the situation demands and overwhelm people with your powerful approach, only to puzzle them when you back off entirely.
- 05 May ☽△♀ 11:24 am EST Tran-Tran  20°±46'
 Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 05 May ☽✱☽ 05:47 pm EST Tran-Nat  24°±47'
 Your sense of the situation is probably pretty accurate, especially if you're telling yourself to let sleeping dogs lie, and allow general agreement to form without making a big deal of it. Exude emotional stability (or at least pretend to) and you'll find yourself brought in as expert and friend.
- 05 May ☽☐♀ 06:05 pm EST Tran-Tran  24°±58'
 Skullduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 05 May ☽△♂ 06:13 pm EST Tran-Tran  25°±03'
 Today has strength and energy written all over it - a good time for a power breakfast, lunch, or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.
- 05 May ☽☐♂ 09:31 pm EST Tran-Tran  27°±08'
 It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.
- 05 May ☽☐♈ 10:44 pm EST Tran-Nat  27°±53'
 It may be hard to take care of yourself when others at home or at work are insisting on attention. Do what you can to burn both ends of the candle, but don't push too hard, you'll just drain yourself without actually accomplishing all you want on either front. Just in time and just

enough are quite sufficient.

06 May ☽ ♂ ♍ 02:05 am EST Tran-Tran  00°♌00'

The plot thickens, or seems to, for the next few days, as an atmosphere of open intensity and perhaps hidden agendas raise passions and lower shades to facilitate what goes on behind closed doors. Shallow and breezy won't do, but when everybody's trying to play the heavy, take the melodrama with a grain of salt.

06 May ♀ △ ♀ 04:05 am EST Tran-Nat  18°♏04'

If you can say it, you can have it, so don't hesitate to articulate your desires and you can get what/whom you want. Chances are, you'll be hearing news of the availability of what you've been looking for -- just sing out, and it's yours. Putting your world into especially beautiful order comes easy, so take the opportunity.

06 May ☽ ✖ ♈ 04:16 am EST Tran-Nat  01°♌22'

Subtle feelings and intangible but reliable intuition allow increasing buildup of emotional communication, as plans come ever closer to realization. Slow and easy swings you along at just the right pace, there's no hurry to completion. It will come in its own time. Enjoy the journey.

06 May ☽ ☐ ♏ 05:10 am EST Tran-Tran  01°♏56'

Sour grapes can be today's flavor, and if you run into something that displeases, just drop it -- don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

06 May ☽ ✖ ♂ 08:03 am EST Tran-Nat  03°♌45'

You are biking with the wind behind you, which gives you extra smooth power that effortlessly eats up the miles. Keep up the pace without straining so when it's time to take a rest or the wind changes, you'll have the accomplishment you need under your belt. Sustain without strain for the greatest gain.

06 May ☽ ♂ ☾ 08:32 am EST Tran-Nat  04°♌03'

This is the time of the lunar month when you get an extra boost of physical energy, from your ego on out. This allows you to carry yourself farther and ride the crest of the wave that extra distance. Things play in your style, so you don't have to strain. For a couple of days, you've got extra cards, so play them.

06 May ☽ ♂ ♉ 01:32 pm EST Tran-Tran  07°♌11'

Moods swing erratically and otherwise stable situations may suddenly fall apart when you least expect it, so whatever you are doing make sure you have a couple of backup plans just in case. Don't return harshness in kind, as it is only passing and now is not the time to make or take offense. Choppy waters.

07 May ☽ ♂ ♉ 00:13 am EST Tran-Nat  13°♌53'

Flashes of insight and solutions to problems are likely to surface in conjunction with the general energy high during these few days. Don't force them, just let them appear and scoop them up as you speed along, your momentum will be lost if you tarry too long. Swing your mallet like a polo player on the gallop.

07 May ☿ ✖ ♀ 05:42 am EST Tran-Tran  20°♌23'

The messages of the spirit are clearest when you are not directly seeking them. So it is now that wisdom unheralded and unnoticed displays itself around you. A special comfort in the world around comes from knowing its secrets without shouting them. A quiet word and a knowing glance tell all.

07 May ☽ ♀ ☉ 05:46 am EST Tran-Tran  17°♍20'

Full Moon in Scorpio

One of the lessons of the "Flower" full Moon is that the beauty of a flower is in its mystery, and you don't really enjoy it more if you take it apart, petal by petal. Take it slow and allow personal secrets to remain so, all the while admiring the magic of the show you are both participating in and watching at the same time. The urge not only to blossom but cross-pollinate is very much in the air, and so is the pressure to behave accordingly. Choose wisely and discreetly, because indiscretion lasts longer than you may think. What you take from this period may much depend on your loyalty and trustworthiness under pressure.

Full Moon in 04th House

You may find you could use a little more space at home as everyone there, including yourself, is taking up a lot more psychic space than usual right now. That can be claustrophobic and you can get on each other's nerves -- or you can use it as the opportunity to connect more by opening that personal space and letting people in. Or, you can just get out of the house and take a break from it all. Whatever you choose, you will find yourself with matters coming to a head and you'll be making conclusions about just how well your internal game plan is working out. Literally and figuratively, good fences make good neighbors, but only when located strategically. Time to finish yours, test it.

07 May ☽ ✖ ♀ 06:56 am EST Tran-Nat  18°♍04'

Small signals under the table will get you everything you need without rocking the boat. A wise wink and a knowing glance will put you on the road to satisfaction, when a direct request might get you put off. Implied understandings and understood arrangements are the tools of the moment for accrued payoffs.

07 May ☽ △ ♀ 10:41 am EST Tran-Tran  20°♍23'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

07 May ☽ ♀ ♀ 11:31 am EST Tran-Tran  20°♍54'

What is said and what is felt may not at all be the same today, so watch out for inner contradictions coming from those around you. Putting pen to paper may mean a rewrite down the line, so be careful what you sign, and intentions and reality may not be on the same page. A better time for winding things up than diving in.

07 May ☽ ✖ ♀ 01:11 pm EST Tran-Nat  21°♍57'

If you trust your instincts, they will not fail you. Don't bet the farm, but small risks taken with confidence pay off. One success leads to another. Fortune unfolds one moment at a time, and with patience builds an edifice of felicity. You can be lucky without having to trust in luck.

07 May ☽ ♂ 05 01:28 pm EST Tran-Nat  22°♍07'

This is a good time to let your hair down and enjoy before someone else lets it down instead. Let urge carry you, as tight schedules will get snarled if you fight it. R&R is not just time off, its renewal, putting more in the pipeline on return.

07 May ☿ ♀ 03:27 pm EST Tran-Nat  23° 21'

Don't question moments of indefinite inspiration right now, trying to pin it down will mean simply losing it altogether. Just proceed blithely onward and let it gel in its own time, enjoy and savor the feelings brought out in the process. You might want to record it or write it down, as forgetfulness can erase your vision.

07 May ☿ ☐ ☿ 05:47 pm EST Tran-Nat  24° 47'

It may be easy to get into a debate, as there's an edge of contentiousness upon you, but if you do, make it about issues and not personalities. Your first instinct or reaction may need refining, so don't put your bets on the first hand you are dealt. Patience with yourself and others will reveal what cards to play.

07 May ☿ ✕ ♀ 06:04 pm EST Tran-Tran  24° 57'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

07 May ☿ ☐ ♂ 08:34 pm EST Tran-Tran  26° 30'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

07 May ☿ ✕ ♄ 09:40 pm EST Tran-Tran  27° 10'

Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.

07 May ☿ ✕ ♄ 09:43 pm EST Tran-Nat  27° 12'

Small aberrations and wanderings from the main highway will get you everything. Explore those byways, there may be gold in them thar' hills. Just off the well-beaten path you'll find the scenic route where you can stake your claim ahead of the pack. In short, it's time to cash in on the mildly unusual -- tune into it.

07 May ☿ △ Asc 10:49 pm EST Tran-Nat  27° 53'

You've got extra support if you look for it. It's a good time to crank up your creativity and give birth to something new and exciting. You can do it by yourself, but you might find you get further if you draw other people into your plans and use their willing help to propel your propositions forward.

07 May ♀ △ ♀ 10:59 pm EST Tran-Nat  21° 57'

According to the latest information, you're on the right track, and if you have faith in your sources, you indeed are. The ability to address forceful solutions and be ready to roll over obstacles sends the message that you are serious and beckons the crowd to part when you

pass. Don't flinch and you're home free.

07 May ☉ △ ♀ 11:52 pm EST Tran-Nat  18° 804'

Expect support for your wish-fulfillments and be ready to take it all in when it's offered. Your tastes are favored, so spread them around and make yourself available for whatever perks may come as a result. Just saying yes is the way to go, and even requests for seconds and thirds will not be denied.

08 May ♀ ♂ 11 00:50 am EST Tran-Nat  22° 807'

Expect to hear from special friends and spend a little time sprucing up neglected relationships that are particularly meaningful. Send that card, call up that old companion of yore just to say hi -- you'll be glad you did.

08 May ☽ ♂ ♀ 02:16 am EST Tran-Tran  00° 800'

The first reaction all around is a good laugh, especially when people are surprised by the open truth. For the next couple of days, honesty is a pleasure and has crowd appeal, too, so don't be afraid to speak out without taking yourself too seriously. Big ideas are favored, but may be slim on details.

08 May ☽ ☐ ♀ 04:30 am EST Tran-Nat  01° 822'

Resist the temptation to overdo, physically or emotionally, to the point of diminishing returns. It's easy to trip wearing seven-league boots, so if you're not steady on the first step or two, downsize or wait to proceed until you've got your balance. Your initial take will require refinement, so don't expect to score with your first shot.

08 May ☽ ✕ ♀ 05:28 am EST Tran-Tran  01° 857'

The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.

08 May ☽ △ ♀ 02:00 pm EST Tran-Nat  07° 809'

If you follow well-marked roads your trip will be shorter and you won't get lost. Stick to the tried and true and don't experiment for the moment. You'll find support from elements that might otherwise pull away. Don't rock the boat and the boat will get you where you want to go. Traditional wisdom supports you, believe in it.

08 May ♀ ♂ ♀ 02:30 pm EST Tran-Nat  23° 821'

Your sources of information may fade in and out, like misty clouds passing over the sun, so don't count on having a reliable stream of news. This may come from sheer irregularity or from misinterpretation or misrepresentation of the facts. Basically, don't believe everything you hear right now, but don't stop listening.

09 May ☽ △ Mc 06:02 am EST Tran-Nat  16° 845'

Health and wealth conspire to put you on the map, so tend your resources and they will tend you. Fitness and energy is as important as what's in your wallet, and that alone can give you the appearance of success. Make sure the daily routine is fine-tuned and you'll be hearing about it from admirers.

09 May ♀ ☐ ☽ 06:27 am EST Tran-Nat  24° 847'

Mixed emotions may be the flavor of the day, and trying to sort them out verbally can be a knotty and ultimately unsatisfying process. Half an explanation is better than exhausting dissection of raw nerves, so patch things up as best you can and let circumstances take care of the rest.

09 May ☽ □ ♀ 08:14 am EST Tran-Nat  18° ↗ 04'

Chasing after gain may give you cause to complain, as getting what/whom you want at the desired where and when just leads to one complication after another. You may have to settle for second best or some sort of compromise, unless you're willing to wait and do without and see if it all comes together later.

09 May ♀ △ ♀ 08:16 am EST Tran-Tran  24° ↘ 57'

When you've got it figured out, run with it and everyone will follow. Forceful words expressed in a friendly manner brook no opposition. A powerful concept sweeps the field better than a cannonade, proving again that the pen is mightier than the sword. Nail it down now, and you're in charge well beyond the horizon.

09 May ☽ □ ♀ 12:15 pm EST Tran-Tran  20° ↗ 26'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

09 May ♄ △ ♀ 12:56 pm EST Tran-Nat  27° ↘ 12'

If it feels right, go ahead, no matter how far out it seems! This is a time when inspiration goes hand in glove with opportunity, so be ready to invest in it and strike while the iron is hot. And save the extra stuff that you don't have time to implement right away, it'll be just as valuable down the line.

09 May ☽ ♂ ♀ 02:15 pm EST Tran-Tran  21° ↗ 36'

Feelings and desires may tug and roil around you, and trying to cut an even balance may be a challenge. Today's beginnings may mature into tomorrow's turmoils, so don't fly off the handle and don't jump into something you're not sure of. Let the waters settle until tomorrow, then decide on it.

09 May ☽ □ ♀ 02:49 pm EST Tran-Nat  21° ↗ 57'

It can seem too easy to simply push your way through, but right now you'll find that can be a losing strategy. The more you shove, the more resistance you get. It's not paranoia, but it's not really a plot, either. Just back off and the whole problem vanishes. Take another route.

09 May ☽ △ ☽ 07:40 pm EST Tran-Nat  24° ↗ 47'

The Moon's got you in tune from morning 'til noon, and well into the afternoon. Your intuition is on the mark and your reactions fit in with all around you. It's easy to agree, and most people will if you let them, so spread as much good will as possible. Agreement now will be a benchmark for cooperation down the road.

09 May ☽ ♂ 06 11:21 pm EST Tran-Nat  26° ↗ 55'

Time for quick housework to restore order, smooth operation inside and out. Reestablishment of regimen lets each path run unobstructed, snarls and tangles won't appear to begin with, so take the short, but tedious, time it takes to do it.

- 09 May ☽ ☐ ♀ 11:50 pm EST Tran-Nat  27° 12'
- Riled-up emotions can stir up harsh words, so watch your mouth and think before you speak. It's easy to get into a pointless argument, so when in doubt, agree to disagree if at all possible. Don't let annoying disagreements get your goat -- put your patience hat on and do your best to act like a saint. It's something to shoot for, anyway.
- 10 May ☽ ✕ ♂ 01:12 am EST Tran-Tran  28° 00'
- A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.
- 10 May ☽ ♂ ♀ 04:40 am EST Tran-Tran  00° 00'
- Everybody is into getting down to business for a couple of days, though that may not guarantee any business gets done. It's all about the proper attitude, however, so be cautious how you let your hair down, lest you be thought too frivolous. Showing all your feelings isn't the happening thing, for the moment, so tuck it in and toe the line.
- 10 May ☽ △ ♀ 07:03 am EST Tran-Nat  01° 22'
- Sometimes you just know it's right and jump without hesitation. Right now that can put you well ahead of the game, as a good sense of what will work finds something sensible to work with. The general feeling all around is that your plan is the best one, so take advantage and move as far as you can.
- 10 May ♀ △ ♀ 09:29 am EST Tran-Nat  27° 12'
- Original ideas, new solutions surround you like a school of fish, so drop your line and start reeling them in. Keep at it while they're running until your head is full of flashing fresh approaches. Fill your larder for the future. For the moment, you don't even need bait -- just a hook, line, and sinker.
- 10 May ♀ △ ♀ 09:37 am EST Tran-Tran  27° 13'
- Big plans put into operation now will have legs that make seven-league strides. Confidence in what you have cooked up attracts customers and begets imitation, so move on apace to stay ahead of the competition. Ideas flow easily, but don't take them for granted -- put them into action to carry you in less creative times.
- 10 May ☽ ♂ ♂ 11:11 am EST Tran-Nat  03° 45'
- A tweak of energy and an inclination to rash moves may be harnessed to give you an extra push if you're aware of it. Otherwise it's only a opportunity to trip over a sudden slight acceleration. Good for when it's hard to get going at first. Eschew sudden outbursts, embrace strong passion.
- 10 May ☽ ✕ ♀ 11:17 am EST Tran-Tran  20° 27'
- Implicit understandings based on mutual visions are the opportunity of the day, so don't take your dreams for granted. What you share with others on the inner front greases the path to harmony and profit, so anything you can cook up along those lines will provide you with a tangible window to your imagination.
- 10 May ☽ ✕ ☽ 11:44 am EST Tran-Nat  04° 03'
- Compatible forces surround you and it pays not to make waves, but welcome the help and

share the wealth. Diplomacy and consideration will get you everywhere, so be on your best behavior and you'll be in like Flynn. Small, multiple moves are favored over big leaps, they mount up and you go just as far.

10 May ♀ ✕ Asc 05:08 pm EST Tran-Nat  27° 8'53"

A good word put in for you by friends or colleagues deserves a return in kind, and quiet mutual admiration is what cements relationships both private and public. Leave space open for seemingly unimportant conversations which are actually building blocks to intimacy and success.

10 May ☽ □ ♏ 05:10 pm EST Tran-Nat  07° 13'09"

Don't let negative thinking get you down -- criticism for its own sake is a waste of time. Lack of confidence can take the wind out of your sails, so believe in yourself even when others don't. Sail straight and true through the currents of self-doubt and ignore the sometimes jealous remarks of others who would see you give up.

10 May ☽ △ ♏ 05:40 pm EST Tran-Tran  07° 13'25"

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

10 May ♏ SR 09:17 pm EST Tran-Tran  01° 45'57" Rx

Saturn Stationary Retrograde in 07th House

11 May ♀ □ ♂ 02:34 am EST Tran-Tran  28° 8'43"

The seemingly best ideas can get tangled indeed when they are not implemented correctly, and correcting that can be a tangle in itself. Thrashing things out seems to mark the current environment, and you can join in if you must -- or if you can afford to, sit out the fray on the sidelines and let others spin their wheels.

11 May ☽ ✕ ♀ 05:09 am EST Tran-Nat  13° 13'53"

Putting in a good word on the QT will be better than hollering. Ideas slipped into the conversation will find automatic response and agreement. Low-profile exchanges will snowball into a general consensus if you pursue quiet leadership and follow your intuition. Gentle feelings illuminate the mind.

11 May ☽ □ Mc 10:20 am EST Tran-Nat  16° 13'45"

Getting noticed and getting the job done may not seem to go hand in hand, as personal issues may overlap professional obligations. Don't expect the best of both worlds, but make sure you get your piece of each. Personal and partner issues will dominate for the moment. You can pick up on the rest later.

11 May ☽ △ ♀ 12:42 pm EST Tran-Nat  18° 13'04"

Ask and you shall receive. 'Tis the season, while it lasts (for a day or so), so if you want it, go for it. Part of it is about intuitively knowing just what to ask for, what's really available, and who's in the mood for giving. Go with your feelings and you'll be surprised at what's at your command.

11 May ♀ ♂ II 04:58 pm EST Tran-Tran  00° 11'00"

The coming few weeks will be ideal for wide-range brainstorming, as the general climate is up for more open communications and generally batting ideas around without having to commit to them immediately. There's a breezy feeling to it, like air running through your hair, freedom of speech at its safest and best.

11 May ☽ ✖ ♀ 05:06 pm EST Tran-Tran  20° vs 29'

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

11 May ☽ △ ☼ 07:25 pm EST Tran-Tran  21° vs 45'

Today's accomplishments have a confident feel where what you do matches what you feel and results down the line will move well accordingly. Contacts made now will serve you well, and you won't have to look back with suspicion or regret. If it feels right, it probably is, so put your best foot forward and follow through.

11 May ☽ △ ♀ 07:46 pm EST Tran-Nat  21° vs 57'

There's a feeling that the Force is with you, and if you lay back and let circumstances float your boat, it most certainly is. Simply will away obstacles and they will crumble in your path. Envision what you need and it will appear for you right on time. Have faith, and you will have had reason to.

11 May ☽ ✖ ♀ 10:20 pm EST Tran-Nat  23° vs 21'

One dream at a time, small hopes compounding to become great expectations, that's the road to your pot of gold at the end of the rainbow. All-consuming fantasies have their place, but building possible dreams now can make the impossible one walk right in later. Dream a little dream, for you....

12 May ☼ △ ♀ 00:14 am EST Tran-Nat  21° 857'

Those in your surroundings will conspire to help you get your way if you show perfect confidence that just that is going to happen. The faith of others compounds your own sure will, sweeping obstacles from your path because you expect them to retreat. Power thought enables power action, without having to exercise force.

12 May ☽ ♂ ♀ 01:15 am EST Tran-Tran  24° vs 55'

Suppressed feelings can be transformed into compulsive actions all around, so it may be a good time to question motives, both your own and others'. If you just have to do or say it, perhaps you shouldn't. Force plays are favored, just make sure you're not on the wrong end of one. Think deep before you push hard.

12 May ☼ ♂ 11 04:23 am EST Tran-Nat  22° 807'

Solar connections cycle peak may well boost the quality of those close around you, both in external and internal value. Doors can open that were previously shut, and a gracious foot in solidly now will prevent closing and develop permanence.

12 May ☽ △ ♂ 05:28 am EST Tran-Nat  27° vs 12'

Taking the unbeaten path can net you a short cut that saves time and money, so think your way out of the box and don't be afraid to take an original leap. If you keep your feet on the ground, you can be a lightning rod for new ideas that will go to the bank with your name on

them. It's that ten percent inspiration time, sublet the 90 percent perspiration to someone else.

12 May ☽ ☿ ♀ 05:31 am EST Tran-Tran  27° ∞ 14'

This most fruitful day has the potential to give birth to all kinds of positive ideas and feelings -- or simply to give birth, literally. Emotions burst out into laughter or song, playfulness abounds, and there can seem like there is no limit to what's out there for you. Take the ball and run with it now and you'll go far.

12 May ☽ ☿ Asc 06:44 am EST Tran-Nat  27° ∞ 53'

This is a temporary lull in the month and you can book extra time here as there will be cancellations. The spotlight is on others close to you, so be willing to play a supporting role and pass the ball on to another -- it will come back soon enough. It's counterpoint time in your monthly symphony -- let the other instruments fill in.

12 May ☽ ☿ 07 06:44 am EST Tran-Nat  27° ∞ 53'

Lots of advice, attempts to influence you can co-opt your direction, but hold your own only if you really think appropriate -- the other side might be right, and now's the time to try it out without long-term commitment.

12 May ♃ ☐ ♀ 08:33 am EST Tran-Nat  01° II 22'

Hammering outlines into shape may result in simply grinding the original into dust. If the shoe doesn't quite fit, don't fuss with it -- just don't wear it. Try something else, and don't insist that you come home with something perfect. This may not be the day for that perfect catch, so be prepared for it.

12 May ☽ ☿ ≈ 10:40 am EST Tran-Tran  00° ≈ 00'

Being all things to all people is what it's about for the next few days, which can cramp those with a one-on-one heart-to-heart style. Cool sincerity is in the air, and lukewarm may be mistaken for (or preferred to) hot. A great time for negotiations, but you may want to put off headlong passion until there's more fuel for the flame.

12 May ☽ △ ♀ 02:09 pm EST Tran-Tran  01° ≈ 52'

Today is a good time to express your feelings with conviction, knowing that there will be response in kind. Situations that arise now will have lasting clarity and a quality of self-reinvention as they move along, as head and heart are on the same page and will tend to remain that way.

12 May ☽ ☿ ♄ 02:19 pm EST Tran-Tran  01° ≈ 57'

The emotional waters are a bit on the cool side today and if you encounter the cold shoulder, don't be surprised. Put a toe in the water before you jump in or you might run into the big chill. People taking themselves too seriously abound, so try not to be one of them. Take it all with a grain of salt instead.

12 May ♃ △ ♄ 03:15 pm EST Tran-Tran  01° II 57'

Steady focus and clear, reductive thinking get reliable results that inspire confidence in others, particularly those on the conservative side. Keep your eye on long-term operations and slow but steady development. Think big but not fast, what is begun now is for posterity, and that's forever, so you've got time.

12 May ☽ ☐ ☉ 06:16 pm EST Tran-Nat  04° ≈ 03'

Things are not as in tune as they might be, but resolution and progress are possible through mutual recognition and compromise. Impact priorities and be ready to give on small points in order to gain on the large ones. Competition can be strong, but it makes you stronger, and this is where you earn respect and trust.

12 May ☿ ☿ ♄ 11:17 pm EST Tran-Tran  00°☿00'

A delicate, sensitive touch and a slow hand are the order of the day, and subtle movements are in demand. That may be partly due to confusion and hesitation, which aren't missing from the scene, but hopefully it is because people have their antennae up and are really listening before making a move. Feel your way with the rest, you could learn something.

13 May ☿ ✨ ☿ 00:07 am EST Tran-Nat  07°≈09'

Showing your feelings may not be the best thing to do right now. Keeping to yourself could save you from unwanted entanglements. Be staunch, do not stoop to complain, and you will gain the respect of all for your worldly reticence. Send requests through channels and things will flow more easily.

13 May ☿ ☐ ♄ 00:53 am EST Tran-Tran  07°≈33'

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

13 May ♀ ♀ 01:50 am EST Tran-Tran  21°II50'R_x

Venus Stationary Retrograde in 11th House

Taking things (and people) for granted can be an easy slip-up during this period. Longstanding friends and situations should not be allowed to become simply a backdrop, but rather reinvigorated, separating the wheat from the chaff. That also means not allowing yourself to become backstage to others who may have forgotten your importance, so it may be a good time to sort things out. Problems most likely come from individuals (yourself included) thinking more about personal ends than personal friends. It's time to get personal again and play it like you mean it -- a sure recipe for heart and hand alike.

13 May ☿ ☿ ♀ 11:03 am EST Tran-Nat  23°☿21'

A call back to reality may be hard to respond to, as inner and outer visions become mixed up and swing back and forth. What you would like and what is actually available can be at odds, but for the time being go with the bird in the hand. The bird in the bush will always be there singing, for later pursuit.

13 May ☿ ☐ ♀ 12:58 pm EST Tran-Nat  13°≈53'

Disputes between head and heart can raise issues that consume a lot of time but don't actually resolve anything. If you can't clarify things quickly, drop the matter and move on. Resist the impulse to insist -- if it won't untwist, just cease and desist.

13 May ☿ ✨ ♀ 06:31 pm EST Tran-Nat  16°≈45'

Good word about you comes from places you don't expect and may not even notice, but it's there nevertheless. Small compliments amass to build your position, and the more gracious you are about it, the more often they will come. What begins nearby spreads afar in time, and your reputation will proceed you.

- 14 May ☽ ♂ 08:00:30 am EST Tran-Nat  19°≈50'
A quick stab at digging out that extra piece of research, evidence can provide the final piece of the puzzle. Facts that are hard to find can be rooted out and put a new light on things, not only on the outside, but within.
- 14 May ☽ △ ♀ 04:21 am EST Tran-Tran  21°≈49'
Knowing what you want and moving on to procure it is the opportunity of the day, and what you fall into now may be just the chance you've been waiting for. Sharing goals and deciding to mutually go for it will be the best of all possible worlds for everybody, with a minimum of conflict resulting later.
- 14 May ☽ □ ♀ 07:20 am EST Tran-Nat  23°≈21'
Illusions and delusions can wear the mask of true inspiration, so thread your way among them to the truth and don't fall for the first fantasy that comes to mind. Possibilities may evaporate as quickly as they appear, and that is for the best -- better to let them go than seize on what will not support you.
- 14 May ♃ ♀ 08:45 am EST Tran-Tran  27°≈14' ♀
Jupiter Stationary Retrograde in 06th House
- 14 May ☽ □ ☉ 09:04 am EST Tran-Tran  24°≈14'
Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.
- 14 May ☽ ♀ ☽ 10:09 am EST Tran-Nat  24°≈47'
This internal full Moon makes you best inclined to gather the fruits of the last couple of weeks and making the best of the harvest. Projects should have adequate input by now and be winding toward completion, filling in details for next two weeks. The crop is out, now it's time to start tending to the harvest.
- 14 May ☽ ♂ ♀ 08:26 pm EST Tran-Tran  00°≈00'
Shifting sands of feeling abound for a few days, which make hard decisions difficult but ferreting out intuitive revelation easy. You won't find so much hard commitment going around, but the soft underbelly of hidden feelings and backdoor admissions are open to the touch. Probe gently, find the waiting pulse.
- 14 May ☽ □ ☽ 10:49 pm EST Tran-Nat  24°≈47'
It can be too easy to keep trying to force the issue when you can't exactly put your finger on how you feel about things. Uncertain sentiments don't really get more tangible by pushing them, so don't wear yourself out attempting explanations or in-depth elucidation. There is no blame in ambiguity.
- 14 May ☽ ♂ ♂ 11:07 pm EST Tran-Tran  01°≈22'
Rash moves, overblown feelings, emotional conflict, and anger can be lurking around the corner, so today's a good day to take it easy and not push, or be pushed, too far. Similarly, don't let high energy push you in where angels fear to tread -- overconfidence can get you into hot water. Count to ten, then go ahead.

- 14 May ☽ ♀ ♃ 11:08 pm EST Tran-Nat  01°✕22'
Changing tides of feeling can make you a little uncertain of the mark, as intuitive answers alternately overwhelm the question or leave it high and dry. Snap decisions are probably not a great idea, so take several measurements before you come to a conclusion. By the time that's done, the waters will have quieted down.
- 14 May ♂ ♀ ♃ 11:25 pm EST Tran-Nat  01°✕22'
Bouts of enthusiasm alternate with periods when previous schemes seem too tiring to maintain. When you hit an energy crisis, don't abandon your plans, just give it a rest and then leap back into the fray. A series of efforts will achieve what a single, big push cannot. Repeated chopping can fell the greatest tree.
- 15 May ☾ △ ♀ 01:45 am EST Tran-Tran  24°✕54'
A strong sense of self-assurance can enable everyone to pull together now, based on the faith that it will come out all right in the end, whatever happens. Endeavors begun with that in mind will be virtually bulletproof and a firm foundation is there for you if you choose to take a chance.
- 15 May ♃ ✕ ♃ 03:48 am EST Tran-Nat  07°✕09'
Good information from reliable channels should be all you need to shore you up and keep things in repair. Clearing and cleaning away the cobwebs from your information sources will make sure that when the lines falter, you'll still be in contact. Telling small truths now will cement contacts you can rely on later.
- 15 May ☽ ✕ ♂ 03:51 am EST Tran-Nat  03°✕45'
You are biking with the wind behind you, which gives you extra smooth power that effortlessly eats up the miles. Keep up the pace without straining so when it's time to take a rest or the wind changes, you'll have the accomplishment you need under your belt. Sustain without strain for the greatest gain.
- 15 May ☽ △ ☾ 04:28 am EST Tran-Nat  04°✕03'
The Moon is in your element, and so are you. Like minds and hearts gravitate toward you -- together you could rule the world, or ought to. Use this smooth energy to make big strides, conquer new ground so you'll be in ever better position when the situation is less ideal. Make time.
- 15 May ☽ ✕ ♄ 11:42 am EST Tran-Tran  07°✕41'
A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 15 May ☽ ☐ ♀ 11:59 am EST Tran-Tran  07°✕50'
This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.
- 16 May ☽ △ ♀ 00:06 am EST Tran-Nat  13°✕53'
Head and heart go hand in hand and workable solutions are available that feel as good as

they work. You can put emotions into phrases that hit the mark and get your message across in more than just words. Multilevel thinking enables you to see all sides of the issue and be a friend and helpmate to all concerned.

16 May ☽ ♂ 09 03:29 am EST Tran-Nat  15°✕34'

Fleeting glimpses of larger things may come within view, but without time to follow up fully. Best to take notes on most relevant generalities, see how it may have changed by the same time next month. Big things take time.

16 May ☽ ♂ ♀ 08:31 am EST Tran-Nat  18°✕04'

So near, yet so far away. You may find your reach exceeds your grasp, and like King Tantalus, the grapes you seek are just beyond your fingertips. Don't strain yourself stretching, be content with what's at hand until they move closer, which they will. Just keep a positive attitude, so they won't be sour grapes when they finally fall into your lap.

16 May ☽ ♂ ♀ 01:35 pm EST Tran-Tran  20°✕35'

A dreamy state of affairs marks the surroundings and it may be difficult to pin things down or get anyone else to, either. Fantasy is favored, along with speculation, hopefulness, and prayer. Anything you try to formalize won't stay that way, so it's a better day for imagination than concrete efforts.

16 May ☽ ☐ ♀ 03:37 pm EST Tran-Tran  21°✕35'

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

16 May ☽ ♂ ♀ 04:20 pm EST Tran-Nat  21°✕57'

Stop and go traffic is a fact of life, so don't let it get to you. When you just can't push through, wait a bit and things will clear ahead, then take another step. Resistance is brief but strong, so avoid small confrontations that will go away on their own. Relax, turn your radio on, and blow off the bumper to bumper.

16 May ☽ △ ♀ 07:09 pm EST Tran-Nat  23°✕21'

Use the everyday reality around you as fuel for the ideal world of your imagination and you'll find yourself a general inspiration to all. When hope and belief are applied hands-on to the real world, the inner self can make its mark on the outer and the stuff of dreams coming true becomes your instrument to play.

16 May ♀ ☐ ♀ 08:39 pm EST Prog-Nat  21°↗57'

Roadblocks appear that are really just in the mind but nevertheless hold things up. A few well-placed shots may break up resistance but may also drag you into more confrontation, so choose your shots well and be ready to make an end run that leaves them all sitting and wondering what just happened.

16 May ☽ ✕ ♀ 10:16 pm EST Tran-Tran  24°✕53'

A sense of easy power without display makes working behind the scenes easier and waiting for rewards more profitable. If you know you're going to win, you needn't show it, and all kinds of competition and conflict is avoided. That goes for the rest of the world, too -- win-win is definitely the way to go.

- 17 May ☽ ✨ ☉ 02:14 am EST Tran-Tran  26°✕51'
Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.
- 17 May ☽ ♀ ♀ 02:57 am EST Tran-Nat  27°✕12'
Occasional outbursts can get your "startle reflex" going and you may feel a bit jumpy for no particular reason. Welcome or unwelcome, surprises could be around the corner, so perk up your ears and give a listen so you won't get taken by surprise. Those footsteps you hear might herald welcome aid or annoying trouble.
- 17 May ☽ ✨ ♀ 03:01 am EST Tran-Tran  27°✕14'
Good feelings may be taken for granted today, so you might go out of your way to appreciate them. Positive elements today are the little things in life, so invest in the small for the long haul and you'll be sure of a return. Look to get dividends, not a big turnover, and you'll be right in the flow as they grow.
- 17 May ☽ △ Asc 04:20 am EST Tran-Nat  27°✕53'
You've got extra support if you look for it. It's a good time to crank up your creativity and give birth to something new and exciting. You can do it by yourself, but you might find you get further if you draw other people into your plans and use their willing help to propel your propositions forward.
- 17 May ☽ ♀ ♀ 08:37 am EST Tran-Tran  00°♂00'
Events pick up pace for the next couple of days. The early bird definitely gets the worm, so if you're in competition, get your bid in first. The challenge is to be quick, yet avoid being premature so you don't have to do it all over again down the line. Nevertheless, it can be a fresh breeze all around, awake with energy.
- 17 May ☽ △ ♀ 11:08 am EST Tran-Nat  27°♂12'
Ideas that usually come in spurts even out into a flow, which makes progress on new fronts move forward easily. Much of that may be attributable to a more receptive environment where your originality gains more acceptance and respect and you can move unhindered, hand in hand with your personal muse.
- 17 May ☽ △ ♀ 11:41 am EST Tran-Tran  27°♂14'
If you want your plans to develop on track and evolve big time, this is the time to lay them on the table. Imagination and inspiration go hand in hand with motivation and coordination more than usual, so bring everybody together in that spirit and you'll have an operation that can't be beat.
- 17 May ☽ ✨ ♀ 12:30 pm EST Tran-Tran  01°♂55'
The general air today is, let's say, overcast but not unpleasant. Take advantage of the relatively stable-but-cool emotional environment to mend fences, solidify old friendships, and give a pat on the back. Faint praise is probably sufficient, as going overboard looks suspect. Err on the safe side, others will do the same.
- 17 May ☽ □ ♀ 04:12 pm EST Tran-Nat  03°♂45'
If you find yourself being pushed into situations that tax your limits, make sure they're worth

the energy you expend. Repetitive stress injury, so to speak, is something you want to avoid, so do enough to get the job done properly and no more. The price of perfection may be dislocation elsewhere, so don't overdo it.

17 May ☽ ☿ ♏ 11:05 pm EST Tran-Nat  07°♐09'

Sudden realization of overall requirements and dimensions can give you a better handle on what's really. Clear demands are more easily met and you know where you stand when the possible and impossible are sorted out. Limitations become clear, so they become easier to work around.

18 May ☼ ✖ Asc 04:09 am EST Tran-Nat  27°♊53'

Supportive friends and acquaintances are a primary resource right now, so don't turn down sincere favors, accept them with appreciation and grace. Mutual admiration societies spring up naturally, and exchanged compliments make everyone's day, especially yours. Right now, flattery is the first fuel of felicity.

18 May ☿ ✖ ☿ 11:09 am EST Tran-Nat  03°♋45'

Taking smaller actions is preferable than making giant pushes. Nudge things along evenly and you'll find yourself actually picking up speed without getting pooped out. A sprinter collapses after a hundred yards, but a jogger eats up the miles and is energized at day's end. Don't walk, don't run -- jog.

18 May ☽ ✖ ♀ 12:18 pm EST Tran-Tran  13°♐41'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

18 May ☽ ☿ ♉ 06:31 pm EST Tran-Nat  16°♐45'

A really good time of the month to start working on getting noticed, as it will be happening of itself from afar. Good words about you are getting around that will work their way directly into your life next week, so help them out where you can. Put your wares out where people can see them, and they'll snap you up.

18 May ☽ ☿ ♏ 06:31 pm EST Tran-Nat  16°♐45'

Quick lunar transit brings passing notoriety, an unexpected word from without that lets you know they're watching you, and not always when you're expecting it. When you raise your flag, anyone can see it, and often does, but not often with import.

18 May ☿ △ ☼ 10:04 pm EST Tran-Nat  04°♋03'

An even and predictable flow of energy adds more reliable power to your day and you're not likely to run out of steam before getting where you want to go. Ever-renewing vigor will have you in the pink, especially if you use some of it for the sheer pleasure of exercise and rejoicing in the pleasure of your body.

19 May ☿ □ ♀ 03:04 am EST Prog-Nat  13°♊53'

A new level of mental activity can be diverted into too much concentration and repetition that saps arriving brain power and leaves you where you began. Avoid sidetracking and keep moving to the next level and you'll make progress. When you get frazzled, chill out for a while, don't keep pressing on until you lose focus.

- 19 May ☽ ✕ ♀ 03:18 am EST Tran-Tran  21°♈06'
It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.
- 19 May ♃ △ ☿ 04:43 am EST Tran-Nat  27°♊12'Rx
If it feels right, go ahead, no matter how far out it seems! This is a time when inspiration goes hand in glove with opportunity, so be ready to invest in it and strike while the iron is hot. And save the extra stuff that you don't have time to implement right away, it'll be just as valuable down the line.
- 19 May ☽ △ ☽ 10:42 am EST Tran-Nat  24°♈47'
The Moon's got you in tune from morning 'til noon, and well into the afternoon. Your intuition is on the mark and your reactions fit in with all around you. It's easy to agree, and most people will if you let them, so spread as much good will as possible. Agreement now will be a benchmark for cooperation down the road.
- 19 May ☽ ☐ ♀ 10:51 am EST Tran-Tran  24°♈51'
Skulduggery may be afoot, and, at any rate, those out for their own ends at all costs are to be avoided. And, avoid being one yourself. The inclination to beat a dead horse and use repeated force to no avail is really self-defeating, although tempting. When in doubt, back off and let others waste their efforts.
- 19 May ☽ ☐ ♃ 03:33 pm EST Tran-Tran  27°♈12'
It's easy for everyone to get too wound up in their feelings and you could find yourself chasing your tail in circles until you fall down. Even if you think you've got a big one on the hook, cut your line if it takes too long to reel him in. Diminishing returns can tire everyone out, turn hope to disappointment, so avoid them.
- 19 May ☽ ☐ Asc 04:57 pm EST Tran-Nat  27°♈53'
It may be hard to take care of yourself when others at home or at work are insisting on attention. Do what you can to burn both ends of the candle, but don't push too hard, you'll just drain yourself without actually accomplishing all you want on either front. Just in time and just enough are quite sufficient.
- 19 May ☽ ☿ ☿ 09:11 pm EST Tran-Tran  00°♏00'
The next couple of days can be solid launching ground for anything you choose to embark upon, especially if it's down to earth to begin with. The time to be hasty or flighty has flown, the atmosphere favors practical beauty, the grace of being in touch with nature itself. Simplicity works, traditional fare is ever elegant.
- 19 May ☽ △ ♃ 11:56 pm EST Tran-Nat  01°♏22'
Sometimes you just know it's right and jump without hesitation. Right now that can put you well ahead of the game, as a good sense of what will work finds something sensible to work with. The general feeling all around is that your plan is the best one, so take advantage and move as far as you can.
- 20 May ☽ ☐ ♄ 00:58 am EST Tran-Tran  01°♏53'
Sour grapes can be today's flavor, and if you run into something that displeases, just drop it --

don't push it past the edge. People are feeling insecure, so avoid encouraging any negativity you encounter. New directions are not in order, as they won't go far, so wait just a bit longer to start your engine.

20 May ♀ ✕ Mc 04:28 am EST Tran-Nat  16° II 45'

Enigmatic and cryptic comments should not be treated with suspicion, as they are probably compliments in disguise. Friendly messages come from obscure places and race, creed, or national origin should not be allowed to get in their way. If you can communicate, even if you're in the dark, open up and do so.

20 May ☽ △ ♂ 04:41 am EST Tran-Nat  03° VIII 45'

This is a good time to establish your physical stride at its best, a broad, loping run that eats up the miles of life. Pick a preferred pace that you can live up to, and your energy level will actually rise and your accomplishments blossom. Wise, intuitive decisions make you fuel efficient with energy to burn.

20 May ☽ ♀ ☾ 05:18 am EST Tran-Nat  04° VIII 03'

This is the time during the lunar month that is closest to the "pits." Most likely time to catch cold, get overlooked, find yourself ignored. Energy is low and efforts are more ineffectual than usual -- either push twice as hard or take the day off and wait for improvement. You'll be back in style in no time.

20 May ☽ ✕ ♂ 07:10 am EST Tran-Tran  04° VIII 59'

A firm, easy gait marks the day if you let the energy around you carry you along without questioning it too much. That will be the general spirit of things, and if you join in it can get you into situations with staying power that do not need extra energy to sustain long-term. Let the general pace set yours.

20 May ☾ ♂ II 08:50 am EST Tran-Tran  00° II 00'

The month ahead promises a lot of heightened communication - at least that is the general expectation, so expect to hit a chord if you say more rather than less. Intellectual solutions are the rage, but that may be simply to paper over what's being ignored underneath. Keep options open, however, as you never know which sound bite is going to wind up the winner and hit home to the truth.

20 May ☽ ♂ ☿ 01:07 pm EST Tran-Tran  07° VIII 58'

Unstable currents abound in the world's affairs and sudden outbursts can be expected -- be they temper fits, sudden annoyances, or cries of "Eureka!" Surprises that startle, realizations that turn you around, and new emotional experiments all are going on. Good for adventure, just keep your eye out.

20 May ♀ ☐ ♀ 06:03 pm EST Tran-Tran  20° II 40' Rx

Desires deceive and getting hold of what's wanted seems to be a continuing and elusive task. Watch out for illusions and delusions being sold as the real thing, then snatched out of reach just before consummation. If you're unsure, don't invest time or money or you'll be perpetuating the situation.

20 May ♀ ☐ ♀ 10:08 pm EST Tran-Nat  18° II 04'

You may want it so bad you can taste it, but figuring out exactly how to get it all can be a knotty problem, indeed. The tendency to be too choosy and too critical of what's presented

you can kill the goose that lays the golden egg, so if you can't have your way entirely, have it half way and enjoy what's there.

21 May ☽ ♂ ♀ 00:53 am EST Tran-Nat   13° 8' 53"

It's a time for counterintuitive solutions, so think outside of the box, that is likely where the answers lie. If it feels right, it's probably not, so don't jump to conclusions based on a hunch. Bat ideas and feelings back and forth and look at both sides of the issue before you reach to a final conclusion.

21 May ☽ △ ♀ 09:10 am EST Tran-Nat   18° 8' 04"

Ask and you shall receive. 'Tis the season, while it lasts (for a day or so), so if you want it, go for it. Part of it is about intuitively knowing just what to ask for, what's really available, and who's in the mood for giving. Go with your feelings and you'll be surprised at what's at your command.

21 May ☽ ✱ ♀ 02:19 pm EST Tran-Tran   20° 8' 41"

Words may convey a bit more emotional meaning than usual, as under-the-radar communication makes inner messages clear. Spiritual deeds are done without a second thought and life as usual has a certain glow. Filling out earlier-imagined schemes pays off and keeping good company comes with ease.

21 May ☽ △ ♀ 04:49 pm EST Tran-Nat   21° 8' 57"

There's a feeling that the Force is with you, and if you lay back and let circumstances float your boat, it most certainly is. Simply will away obstacles and they will crumble in your path. Envision what you need and it will appear for you right on time. Have faith, and you will have had reason to.

21 May ☽ ♂ 11 05:09 pm EST Tran-Nat   22° 8' 07"

Personal acceptance is a step beyond the norm and it gives you a boost, a flirtation with excellence that can fill out if followed up after. If commitment backs off, however, let it -- it's not something you can pin down if it chooses to flee.

21 May ☽ □ ♄ 06:59 pm EST Tran-Nat   01° 12' 22"

The best-laid plans of mice and men can all go haywire now and then, but dogs and cats who chase their tails always come to no avail. That means the more desperate patches you slap on failing schemes, the more likely they are to fail under the weight of it. Make repairs where necessary, but don't get crazy about it.

21 May ☽ ♂ ♀ 07:34 pm EST Tran-Nat   23° 8' 21"

Your usual clarity may come only in fits and starts as the inner dream world surfaces occasionally and distracts the mind while inspiring the heart. If you are quick, you can use one state of mind to draw out the other -- or they can just trip each other up before either really gets going. See what you can do.

21 May ☽ □ ☽ 10:24 pm EST Tran-Nat   24° 8' 47"

It may be easy to get into a debate, as there's an edge of contentiousness upon you, but if you do, make it about issues and not personalities. Your first instinct or reaction may need refining, so don't put your bets on the first hand you are dealt. Patience with yourself and others will reveal what cards to play.

- 21 May ☽ △ ♀ 10:29 pm EST Tran-Tran  24°♾50'
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 22 May ☽ △ ♄ 03:02 am EST Tran-Tran  27°♾09'
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 22 May ☽ △ ☿ 03:08 am EST Tran-Nat  27°♾12'
Taking the unbeaten path can net you a short cut that saves time and money, so think your way out of the box and don't be afraid to take an original leap. If you keep your feet on the ground, you can be a lightning rod for new ideas that will go to the bank with your name on them. It's that ten percent inspiration time, sublet the 90 percent perspiration to someone else.
- 22 May ♀ ♂ ♀ 03:42 am EST Tran-Tran  20°Ⅱ12'
This is an ideal time for achievement in arts and letters -- whether it's redecorating, taking great pictures and movies, or doing a makeover. A keen eye for the beautiful is in sharp focus and a strong sense of shape and proportion makes for good judgment in all aspect of design, now and for posterity.
- 22 May ☽ ✨ Asc 04:29 am EST Tran-Nat  27°♾53'
Quiet, low-profile support carries you along. It's a good time to get together with close friends or acquaintances and just socialize. Communication comes easy, and you can get yourself across without having to work at it. By joining in the general company, you enjoy the benefits of all.
- 22 May ☽ △ ☿ 07:03 am EST Tran-Tran  01°Ⅱ51'
There's a certain pleasure in feeling well-grounded, and this moment would make a firm foundation for whatever you choose to build upon it. If your plans are already made, it's time for the cornerstone to be laid. Go with what you've got, as there's a no-frills feeling that's saying keep it simple, take it slow.
- 22 May ☽ ♂ Ⅱ 08:36 am EST Tran-Tran  00°Ⅱ00'
Words abound and messages fly for the next couple of days, when talk will be cheap but follow-through may not be. It's a good time for making new contacts and developing old ones, and for putting your finger on feelings that have been waiting the right kind of expression. Say what you mean, but don't be afraid to change it, refine it, on the fly.
- 22 May ♀ ☐ ♀ 10:43 am EST Tran-Tran  20°Ⅱ42'
It's easy to insist on cutting your way through the confusion only to find yourself more at sea than before. Perhaps it is better to roll over and go back to sleep and wake up on the other side of the bed. Elusive concepts flee in the face of challenge, so watch the show without requiring explanation. No subtitles.
- 22 May ☽ ☐ ♄ 11:17 am EST Tran-Nat  01°Ⅱ22'
Resist the temptation to overdo, physically or emotionally, to the point of diminishing returns.

It's easy to trip wearing seven-league boots, so if you're not steady on the first step or two, downsize or wait to proceed until you've got your balance. Your initial take will require refinement, so don't expect to score with your first shot.

22 May ☽ △ ♄ 12:13 pm EST Tran-Tran  01° II 51'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

22 May ☽ ☿ ☼ 12:39 pm EST Tran-Tran  02° II 05'

New Moon in Gemini

Multiple starts mark the month and you may have to run two races at a time, one complimenting the other, in order to be in tune with the season and ride it to success. It's all about branching and leafing out, fractalizing your fundamentals into multiple scalings and positions. Leadership is about adaptability right now, and having it right in your head beats playing it from the heart this go-round, so don't feel you have to go deep to go far. There's better fishing in shallow water, so you don't have to cast your nets far from shore - just fling them fast and furious and pull in your catch from all quarters.

New Moon in 11th House

Feelings run high among close friends and an intensity is available right now that can renew the love and passion that first fueled your relationships. It can be worth risking upset to get at what you are really feeling and share it with those that matter the most. Because there's a crazy atmosphere surrounding it all, you can say things you might have hesitated to bring up and wear your heart on your sleeve without worrying about the outcome. The same ability to burst out of your shell will also aid in getting yourself into new company you might have thought didn't care about you before. An approach of disarming honesty can make you welcome in unexpected places and bring you valuable allies.

22 May ☽ ☐ ☿ 09:44 pm EST Tran-Tran  06° II 45'

Feelings and actions at cross-purposes make this day's blank slate one that you might not want to write much on, but just write it off. Under any circumstances, don't be hasty, and try not to repeat yourself too many times because you didn't hit the mark with the first shot. Accept uncertainty, and certainty will arrive soon enough.

22 May ☽ ✨ ♄ 10:30 pm EST Tran-Nat  07° II 09'

Showing your feelings may not be the best thing to do right now. Keeping to yourself could save you from unwanted entanglements. Be staunch, do not stoop to complain, and you will gain the respect of all for your worldly reticence. Send requests through channels and things will flow more easily.

23 May ♀ ☐ ♀ 04:45 am EST Tran-Nat  21° II 57'

Pressing the point too strongly only leads to arguments, not triumph, so when you catch wind of weak positions strongly defended, pass them by and they will collapse on their own. Confront them, and a Pyrrhic victory is the best you'll get. Rumors of war are just that, born of the breeze and blown away by it.

23 May ☽ ✨ ♀ 05:00 pm EST Tran-Nat  16° II 45'

Good word about you comes from places you don't expect and may not even notice, but it's

there nevertheless. Small compliments amass to build your position, and the more gracious you are about it, the more often they will come. What begins nearby spreads afar in time, and your reputation will proceed you.

23 May ☿ ☐ ♀ 07:30 pm EST Tran-Nat  18° II 04'

Chasing after gain may give you cause to complain, as getting what/whom you want at the desired where and when just leads to one complication after another. You may have to settle for second best or some sort of compromise, unless you're willing to wait and do without and see if it all comes together later.

23 May ☽ ♂ ♀ 10:15 pm EST Tran-Tran  19° II 30'

Charm abounds and an atmosphere of love and desire allows for all sorts of pleasantries and can provide the foundations of lots more like it to come, if you go for it now. Directions begun today can be the start of great friendships, beautiful handiworks, and achievements that bring both wealth and love.

24 May ☽ ☐ ♀ 00:34 am EST Tran-Tran  20° II 43'

Mirages may pop up at any time, even if you're not in the desert. Feelings and internal visions can get muddled, and emotional miscommunication, either unintended or on purpose, may get in the way. Misentanglements can snowball, so be ready to cut loose and try again later. Avoid long-term commitments.

24 May ☿ ☐ ♀ 02:54 am EST Tran-Nat  21° II 57'

It can seem too easy to simply push your way through, but right now you'll find that can be a losing strategy. The more you shove, the more resistance you get. It's not paranoia, but it's not really a plot, either. Just back off and the whole problem vanishes. Take another route.

24 May ☽ ♂ ♀ 06:10 am EST Tran-Tran  23° II 40'

Time to be quick and make smart deals as the intellectual pace around you quickens. Where you can put emotions into words, you will be at the top of the heap, as that's going to be the way to connect and build on your connections right now. Feelings get aired and a greater sense of control and satisfaction results.

24 May ☿ ✱ ☽ 08:18 am EST Tran-Nat  24° II 47'

Your sense of the situation is probably pretty accurate, especially if you're telling yourself to let sleeping dogs lie, and allow general agreement to form without making a bid deal of it. Exude emotional stability (or at least pretend to) and you'll find yourself brought in as expert and friend.

24 May ☿ ♂ 12 12:21 pm EST Tran-Nat  26° II 55'

Skulduggery may be afoot and you may get just enough of a peak to take precautions, but not enough to be really sure of its focus. Sudden decisions now can turn to disaster easily, so cover perimeters, wait for the action.

24 May ☿ ☐ ☿ 12:53 pm EST Tran-Nat  27° II 12'

Riled-up emotions can stir up harsh words, so watch your mouth and think before you speak. It's easy to get into a pointless argument, so when in doubt, agree to disagree if at all possible. Don't let annoying disagreements get your goat -- put your patience hat on and do your best to act like a saint. It's something to shoot for, anyway.

- 24 May ☽ ✂ ☾ 06:10 pm EST Tran-Tran  00°☾00'
Expect feelings to get a little more intense for the next few days, particularly due to bottled-up emotions that people are trying to keep a lid on. It's hard to say what you mean when there's so much expectation to deliver on every hand. Best to be utterly sincere but not say too much that might set off hidden nerves or be seen as space invasion.
- 24 May ☽ ✨ ♋ 08:44 pm EST Tran-Nat  01°☾22'
Subtle feelings and intangible but reliable intuition allow increasing buildup of emotional communication, as plans come ever closer to realization. Slow and easy swings you along at just the right pace, there's no hurry to completion. It will come in its own time. Enjoy the journey.
- 24 May ♀ ✨ ☽ 11:17 pm EST Tran-Nat  24°♈47'
Intimating how you feel may get more across than loud declarations; a slow build of communication makes bonding all the stronger. Move from one small agreement to the next until two hearts and minds become one. It's a two-way stretch, as your own understandings need this pace to come to fruition.
- 25 May ☽ ♀ ♊ 01:12 am EST Tran-Nat  03°☾45'
Resist the temptation to fly off the handle if things take an unexpected turn or your current effort is suddenly derailed. Change and negotiation will get things back on track, but blowups are harder to heal, so avoid them. Things said in the heat of passion should be about passion itself -- keep it that way.
- 25 May ☽ △ ☾ 01:46 am EST Tran-Nat  04°☾03'
The Moon is in your element, and so are you. Like minds and hearts gravitate toward you -- together you could rule the world, or ought to. Use this smooth energy to make big strides, conquer new ground so you'll be in ever better position when the situation is less ideal. Make time.
- 25 May ♀ ✨ ♈ 01:48 am EST Tran-Tran  08°♋13'
Little improvements and small innovations make life easier and bolster speed and efficiency. New approaches free up energy, freshen attitudes so it's easier to get along, breathe easier. Youthful reinvention creates a general pride in accomplishment that's easily shared by all those creating it.
- 25 May ☽ ☐ ♏ 07:33 am EST Tran-Nat  07°☾09'
Don't let negative thinking get you down -- criticism for its own sake is a waste of time. Lack of confidence can take the wind out of your sails, so believe in yourself even when others don't. Sail straight and true through the currents of self-doubt and ignore the sometimes jealous remarks of others who would see you give up.
- 25 May ☽ ✨ ♈ 09:35 am EST Tran-Tran  08°☾14'
A good day for small adventures, but don't push it into weirdness. New tastes and experiences are easy to come upon and, once tried, may stick with you for a longtime. Nothing ventured, nothing gained, but don't sell the farm on a hunch. The environment is volatile but not threatening, sort of a gently bouncing ride.
- 25 May ☽ △ ♀ 09:58 am EST Tran-Tran  08°☾26'
Today has strength and energy written all over it - a good time for a power breakfast, lunch,

or dinner and getting down to brass tacks on deals you want to see really pick up speed. Or a good time for just getting out there and getting physical. A strong stride established today will take you all the way to the finish line.

25 May ☽ △ ♀ 08:04 pm EST Tran-Nat  13°☾53'

Head and heart go hand in hand and workable solutions are available that feel as good as they work. You can put emotions into phrases that hit the mark and get your message across in more than just words. Multilevel thinking enables you to see all sides of the issue and be a friend and helpmate to all concerned.

26 May ☽ □ ♀ 01:23 am EST Tran-Nat  16°☾45'

Getting noticed and getting the job done may not seem to go hand in hand, as personal issues may overlap professional obligations. Don't expect the best of both worlds, but make sure you get your piece of each. Personal and partner issues will dominate for the moment. You can pick up on the rest later.

26 May ☽ ✱ ♀ 03:47 am EST Tran-Nat  18°☾04'

Small signals under the table will get you everything you need without rocking the boat. A wise wink and a knowing glance will put you on the road to satisfaction, when a direct request might get you put off. Implied understandings and understood arrangements are the tools of the moment for accrued payoffs.

26 May ☽ △ ♀ 08:44 am EST Tran-Tran  20°☾45'

It's a good day for getting across those hard-to-express feelings without actually having to put them into words. Intuitive antennae are up today and everyone's getting good reception. Projects that involved instinct or imagination are favored, time to go with your gut level guidelines.

26 May ♀ ♂ 12 09:12 am EST Tran-Nat  26°♈55'

If someone is talking behind your back, now is the time to find out about it and take appropriate steps to deflect it. Conversely, it's a time you can unearth some of your own best-kept secrets you might have forgotten about and clear the air.

26 May ☽ ✱ ♀ 10:54 am EST Tran-Nat  21°☾57'

If you trust your instincts, they will not fail you. Don't bet the farm, but small risks taken with confidence pay off. One success leads to another. Fortune unfolds one moment at a time, and with patience builds an edifice of felicity. You can be lucky without having to trust in luck.

26 May ☽ △ ♀ 01:28 pm EST Tran-Nat  23°☾21'

Use the everyday reality around you as fuel for the ideal world of your imagination and you'll find yourself a general inspiration to all. When hope and belief are applied hands-on to the real world, the inner self can make its mark on the outer and the stuff of dreams coming true becomes your instrument to play.

26 May ♀ □ ♂ 01:44 pm EST Tran-Nat  27°♈12'

Chasing down that great idea that got away is a bit like pursuing Moby Dick the closer you get to it, the more it will consume you. When the bird in the hand flees into the bush, let it go and pursue another. When your information is this scattered, you're better off waiting by your net than futilely pursuing a single quarry.

- 26 May ☽ ♀ 04:03 pm EST Tran-Tran  24°☾46'
Stop-and-go feelings make headway a tough go, with breakthroughs only after a mighty push. Although it's in the air, it's not necessary -- when it's time to push, just don't. Wait, and the barrier will go away. Nevertheless, it's not an uninterrupted journey, but nothing a little patience will not see you through.
- 26 May ☽ ♀ 08:07 pm EST Tran-Tran  27°☾00'
Rip tides of emotion swing and sway today, so make sure you don't get carried away in the undertow. The surroundings are turbulent but highly positive, so in order to pick up on them you may have to tighten your focus -- be ready to hop on board as the train rushes past. When it's over, it leaves everyone breathless.
- 26 May ☽ ✖ ☿ 08:30 pm EST Tran-Nat  27°☾12'
Small aberrations and wanderings from the main highway will get you everything. Explore those byways, there may be gold in them thar' hills. Just off the well-beaten path you'll find the scenic route where you can stake your claim ahead of the pack. In short, it's time to cash in on the mildly unusual -- tune into it.
- 26 May ☽ ♂ 01 09:44 pm EST Tran-Nat  27°☾53'
Monthly lunar peak gives momentary boost to ego and confidence, a brief reminder of how good you can be when you're on. Observation now will let you do it with greater regularity -- shine, but remember how you did it so it becomes a habit.
- 26 May ☽ ♂ Asc 09:44 pm EST Tran-Nat  27°☾53'
This is a really good time of the month to get noticed, so get out there and take charge. Things will generally get busier, reserve extra time on your schedule for unanticipated appointments or prolonged, profitable personal engagements. The spotlight turns up, and you're on stage -- perform!
- 26 May ♀ ☐ ♀ 11:21 pm EST Tran-Nat  18°II04'R_x
More can be less if you're stuck on one restaurant looking for the perfect dish. Conversely, feeding the demands of those stuck on you can be a drain with no satisfaction for either party. Don't insist on perfection, just enjoy the good on life's plate and leave the rest. Overindulging does not satisfy, it only makes you fat.
- 27 May ☽ ♂ ♀ 01:34 am EST Tran-Tran  00°♂00'
Creative and uncensored feelings can make for an almost party atmosphere if you follow the flow and avoid the usual impediments for the next couple of days. The world is looking for a lover, and you can put yourself into that picture however you choose. Make a breakout, or just let the rising tide carry you along.
- 27 May ☽ ♀ ☿ 04:43 am EST Tran-Tran  01°♂45'
The environment is running hot and cold today, and just as you think you're warming up to someone, they can suddenly turn negative. Similarly, projects undertaken today can turn out ambivalent and hobbled down the line, so wait, if you can, to make commitments. That, in itself, is exactly what's in the air.
- 27 May ☽ ☐ ☉ 08:52 am EST Tran-Nat  04°♂03'
Things are not as in tune as they might be, but resolution and progress are possible through mutual recognition and compromise. Impact priorities and be ready to give on small points in

order to gain on the large ones. Competition can be strong, but it makes you stronger, and this is where you earn respect and trust.

27 May ☽ ✖ ☾ 02:03 pm EST Tran-Tran  06° 256'

Taking it easy and letting things happen will let opportunities continue to grow that are already underway. Situations beginning now will be cooperative and helpful to you as they progress. A general atmosphere of getting along together prevails and will continue to if you just go with the flow.

27 May ☽ △ ☿ 02:25 pm EST Tran-Nat  07° 209'

If you follow well-marked roads your trip will be shorter and you won't get lost. Stick to the tried and true and don't experiment for the moment. You'll find support from elements that might otherwise pull away. Don't rock the boat and the boat will get you where you want to go. Traditional wisdom supports you, believe in it.

27 May ☽ □ ♀ 04:35 pm EST Tran-Tran  08° 221'

Dogfights and catfights may be happening almost anywhere, so make it a point not to join in. Simply agree to disagree and move on, as it's easy to get caught up in pointless rows. Projects and relationships begun now will also tend to fall into disarray, so back off a bit until you can take a second look.

27 May ☽ ✖ ☿ 07:14 pm EST Tran-Nat  07° 209'

Settled ways are sometimes the best, and right now your inner routine may be right in tune with the rest of the world. If it ain't broke, don't fix it, just enjoy the way it runs. In the face of a changing world, the little things that remain the same are a comfort and provide reassurance of an enduring foundation.

28 May ☽ □ ♀ 02:25 am EST Tran-Nat  13° 253'

Disputes between head and heart can raise issues that consume a lot of time but don't actually resolve anything. If you can't clarify things quickly, drop the matter and move on. Resist the impulse to insist -- if it won't untwist, just cease and desist.

28 May ☽ △ ♀ 07:31 am EST Tran-Nat  16° 245'

Health and wealth conspire to put you on the map, so tend your resources and they will tend you. Fitness and energy is as important as what's in your wallet, and that alone can give you the appearance of success. Make sure the daily routine is fine-tuned and you'll be hearing about it from admirers.

28 May ☽ ✖ ♀ 08:31 am EST Tran-Tran  17° 219'

It's a good day for agreements and generally patting each other on the back -- or, maybe, for scratching each other's backs. It will be easy to see eye-to-eye, and shared goals and feelings can be put into action to bring later results. Mutual investment, mutual trust, and relaxed progress are all in the atmosphere.

28 May ☽ ☿ 02 12:57 pm EST Tran-Nat  19° 250'

Lunar finance peak brings a flurry of monetary activity, perhaps a quick find or mini-crisis, but it passes quickly. Keep its brevity in mind so you don't lay heavy bets on a passing fancy, unless other longer-range cycles are much in focus with this as trigger.

28 May ☿ ☿ ☾ 01:10 pm EST Tran-Tran  00° 200'

What folks are saying and thinking is a lot closer to their hearts than you or they may think, so verbal sparring can get taken too seriously in the next few weeks. People mean what they say a little too much, and say what they really mean too little. There's a cry over the milk, spilled or not, so speak judiciously, with sensitivity.

28 May ☽ ☐ ♀ 07:06 pm EST Tran-Nat  23° 21'

Illusions and delusions can wear the mask of true inspiration, so thread your way among them to the truth and don't fall for the first fantasy that comes to mind. Possibilities may evaporate as quickly as they appear, and that is for the best -- better to let them go than seize on what will not support you.

28 May ☽ ☿ ☽ 09:36 pm EST Tran-Nat  24° 47'

A good time to wind up projects, particularly emotional ones; this point of completion bears the next month's beginnings and allows you to regear to start things up anew. Look ahead at the next few days to see how quickly to reengage or just take a break. Consult your Lunar Return chart to see what the next month will bring.

29 May ☽ ☿ ♀ 06:41 am EST Tran-Tran  00° 00'

If you regularly pick up each stitch, you won't be tripped up over the next few days. If not, watch out for entanglements in small print and minor details that suddenly loom larger if you overlook them. The feeling of a job well done awaits you, but only after you do it. If you're ahead of expectations, you'll have it locked up tight.

29 May ☽ ✕ ♀ 08:33 am EST Tran-Tran  01° 05'

If things seem to be running smoothly around you, they are, so let them. Clear understandings established now will have legs and serve you well as long as you don't push them. Staying on the conservative side and reconfirming old patterns has more potential than trying to emotionally break the mold.

29 May ♀ ✕ Mc 08:43 am EST Tran-Nat  16° 45' Rx

Profit from some perhaps unexpected or even mysterious quarters is profit nonetheless, and a helping hand from the hidden side of things feels like you've got a guardian angel in tow. Don't fight it, but don't try too hard to explain it, either. Sometimes things just fall gently into place on their own.

29 May ☽ ☿ ♀ 09:03 am EST Tran-Nat  01° 22'

A broad scope or general sweep come easier now, leave details until there's time for them later. If you get the principle of the thing now, you can extrapolate the rest as it develops -- and it's lots easier than doing it the other way around. Feelings swell, emotions rise, for a time the heart grows another size.

29 May ☽ △ ☿ 01:09 pm EST Tran-Nat  03° 45'

This is a good time to establish your physical stride at its best, a broad, loping run that eats up the miles of life. Pick a preferred pace that you can live up to, and your energy level will actually rise and your accomplishments blossom. Wise, intuitive decisions make you fuel efficient with energy to burn.

29 May ☽ ✕ ☉ 01:41 pm EST Tran-Nat  04° 03'

Compatible forces surround you and it pays not to make waves, but welcome the help and share the wealth. Diplomacy and consideration will get you everywhere, so be on your best

behavior and you'll be in like Flynn. Small, multiple moves are favored over big leaps, they mount up and you go just as far.

29 May ♀ ✖ ♀ 01:50 pm EST Tran-Nat  01°02'22"

Grand strategies are only as big as their individual components, and great skyscrapers are put together one girder at a time. Fulfilling the vision as it presents itself is the way to go, with smaller, surer steps preferable over giant strides of the imagination. Take it easy, and all will unfold.

29 May ☽ △ ♀ 09:15 pm EST Tran-Tran  08°17'28"

This is a great day for bounding into unexplored territory, and you will find others are doing the same. Inventiveness and originality are favored, as are projects and personal involvements which partake of them. If you haven't tried it, now's the time, whatever "it" may be. Open your eyes, listen up, try a taste.

29 May ☽ ☐ ☉ 10:31 pm EST Tran-Tran  09°17'12"

Uncertainty and shifting grounds can mark the day's outcomes, and confidence may retreat in the face of a challenge. Confrontation is the wrong game to play, but pulling out entirely is equally unsuitable. Make judicious compromise now and the resulting situation will improve, but don't chase diminishing returns.

30 May ☽ ♂ ♂ 02:35 am EST Tran-Tran  11°17'35"

Seesaw emotions with energies running high make for choppy waters today, so avoid hasty choices or impulse buying. If tempers flare, just don't go there, spare yourself and others the hassle. Commitments made now will tend to partake of this atmosphere, so have the patience to wait a little before moving ahead.

30 May ☽ ✖ ♀ 06:30 am EST Tran-Nat  13°17'53"

Putting in a good word on the QT will be better than hollering. Ideas slipped into the conversation will find automatic response and agreement. Low-profile exchanges will snowball into a general consensus if you pursue quiet leadership and follow your intuition. Gentle feelings illuminate the mind.

30 May ☽ ♂ 03 09:22 am EST Tran-Nat  15°17'34"

Telephone storm, hasty social get-togethers, and communication overloads come and go. A good time to get quick points across with maximum brevity so it all fits in and is clear in the future -- wasted words come all too easy here.

30 May ☽ ☐ ♀ 10:19 am EST Tran-Tran  16°17'08"

Watch out for conflicting goals and energy-wasting diminishing returns today. What may seem like deceit could be just mixed emotions, or vice versa. Rather than jump into a stewpot, let it boil a bit and see if it simmers down. When all get more certain of what they want, it will be easier to move in concert together.

30 May ☽ ♂ ♀ 01:36 pm EST Tran-Nat  18°17'04"

Heightened appetites (of all sorts) are a natural this time of the month, as will be opportunities to fulfill them. Pick as you would from a smorgasbord and don't chow down too heavily -- the taste is what counts, volume only slows you down. Variety is the spice, intensity the sweetness, whatever or whoever is involved.

- 30 May ☽♂♀ 06:14 pm EST Tran-Tran  20°♎49'
As soon as the fog lifts, it's back again, and trying to steer a straight course will be hard for all, so double-check information and go slow to avoid collisions. Misunderstood and/or misstated feelings should be expected, so hurt feelings can be avoided. The ground is soft underfoot, so step cautiously.
- 30 May ☽♂♀ 08:09 pm EST Tran-Nat  21°♎57'
An elusive fear, a shadow from a dream may creep up on you, but simply toss it off, as you're not likely to be able to pin it down. Proceed as if you were on course, and the seemingly premonitory wind will pass unfulfilled, as it was just a memory. When you encounter a stop sign, there's a reason for it. Look both ways, then proceed.
- 30 May ☽♂♀ 10:30 pm EST Tran-Nat  23°♎21'
One dream at a time, small hopes compounding to become great expectations, that's the road to your pot of gold at the end of the rainbow. All-consuming fantasies have their place, but building possible dreams now can make the impossible one walk right in later. Dream a little dream, for you....
- 31 May ☽♂♀ 00:47 am EST Tran-Tran  24°♎42'
A sure confidence that all will be well, whatever happens, fills the air, and faith in yourself and others is exactly what will make that come true. A great day for starting things that require sustained confidence and follow-through. Mutual assurance breeds conviction and a platform for all to share.
- 31 May ☽♂♈ 04:17 am EST Tran-Tran  26°♎48'
Emotional tides are strong and upbeat, and all you have to do is ride them as if you were born to sail. Foundations laid today will be firm and supportive and continue to evolve that way. Feelings of friendship abound and it's easy to see the good side of anyone -- just remember there may be other sides, too.
- 31 May ☽♂♈ 04:58 am EST Tran-Nat  27°♎12'
The itch to break away from the normal path and do something radical may have to be resisted but it shouldn't be ignored. Perhaps it's just what's needed, but only if you do it with decisiveness and clarity, as you probably won't be able to take it back. A peek into the unusual can be both entertaining and edifying.
- 31 May ☽♂♈ 06:07 am EST Tran-Nat  27°♎53'
Quiet, low-profile support carries you along. It's a good time to get together with close friends or acquaintances and just socialize. Communication comes easy, and you can get yourself across without having to work at it. By joining in the general company, you enjoy the benefits of all.
- 31 May ☽♂♈ 09:39 am EST Tran-Tran  00°♈00'
Give and take are what's expected for the next couple of days, so expect to mix it up if you're going to make much headway. That doesn't mean conflict, just active participation and the willingness to change and be changed from moment to moment. It's what both love and war (and business) are made of, you choose the game, and the playing field.
- 31 May ♀♂♈ 11:25 am EST Tran-Nat  03°♈45'
Don't wait to refill until you hit "reserve" on your inner gas gauge, it may not be working as

well as you think. Figuring out when you're about to be tapped out or have more to go should be left to your body. When you're tired, rest, recharge, and don't push yourself to the limit until you have a more realistic idea of what those limits are.

31 May ☽ △ ♄ 12:20 pm EST Tran-Tran  01°♁37'

There's a certain stability in the general atmosphere that makes it safe to say what you feel, but not too much. Conservation of emotion might be the phrase. It's a time to be mutually reassuring, rather than wildly supportive; projects launched will be stable, though, perhaps not very showy.

31 May ☽ □ ♀ 03:53 pm EST Tran-Nat  03°♁45'

If you find yourself being pushed into situations that tax your limits, make sure they're worth the energy you expend. Repetitive stress injury, so to speak, is something you want to avoid, so do enough to get the job done properly and no more. The price of perfection may be dislocation elsewhere, so don't overdo it.

31 May ☽ □ ♀ 04:17 pm EST Tran-Tran  03°♁59'

This is probably a good time for all parties to back off a bit and make sure that what looks like a great idea isn't actually a hidden misunderstanding. What feels right may be impractical or misleading, so a second look is in order to avoid having to reposition later. Don't believe all you hear, or all you say.

31 May ♀ △ ☉ 05:39 pm EST Tran-Nat  04°♁03'

It's particularly easy to get your inner message across, and words don't get in the way even when trying to communicate non-verbally. Just visualize what you want to make known and before you know it you'll be proclaiming it in the most appropriate fashion. Don't over prepare or edit yourself, just let it flow.

31 May ☽ ♀ ♄ 09:31 pm EST Tran-Nat  07°♁09'

Sporadic slowdowns and roadblocks may interfere with your timetable, but not your final destination. Mark the shoals as you work your way around them so they won't trip you up the next time. When you know your limitations, the course becomes clearer -- take it as a lesson and don't cry over spilt milk.
