Bill's Sun in Leo and Hillary Rodham's Sun in Scorpio:

Both of you are very proud, stubborn, strong-willed individuals and you are attracted to the strength of character that you sense in each other. You face the possibility that your combined inflexibility will make it difficult for the two of you to reach mutually satisfying decisions and both of you tend to stubbornly resist compromising when your preferences are different. A battle of wills is likely to ensue! You can be intensely competitive with each other.

One major difference is that Bill needs personal recognition, attention, and glory, and Bill's style tends to be colorful and dashing, while Hillary Rodham is quieter, deeper and darker, more private and even secretive.

Bill's Moon in Taurus and Hillary Rodham's Moon in Pisces:

Though you have very different emotional natures, you can complement and harmonize with one another very well.

Hillary Rodham is sensitive, imaginative, sympathetic, and emotional, often somewhat ungrounded and impractical. Bill is also a nurturing, sympathetic person, but very well-grounded, solid, and reliable. Both of you have a very peace-loving, easy-going, somewhat passive side, and you both seek a tranquil life style, free from competition and conflict.

You also share a love of the natural world, gardening, plants, and/or animals. Music is also a shared love or interest of yours.

Bill's Sun Conjunct Hillary Rodham's Saturn:

The two of you often work well together on shared responsibilities and practical matters of importance. However, there is also a constrained, serious tone to the relationship that can make it stifling and frustrating. Hillary Rodham has a strong tendency to criticize and judge Bill's actions, sometimes accurately and sometimes unjustly. Hillary Rodham should guard against this tendency to dampen Bill's enthusiasm, and Bill needs to avoid being overly sensitive to Hillary Rodham's suggestions and criticisms. Hillary Rodham's tendency to dominate, control, or even repress Bill makes Bill feel resentful at times, and Bill may feel lowered vitality and self-confidence after being with Hillary Rodham for a long time. You must make room for lightness and play, or you both will feel burdened by the tone that is set between you.

Hillary Rodham's Sun Square Bill's Saturn:

Bill must be very careful not to harshly criticize or judge Hillary Rodham. There is a strong tendency for Hillary Rodham to feel blocked, frustrated, and discouraged by Bill. Typically, Bill will feel surprised by Hillary Rodham's feelings of frustration and anger, and feel that Hillary Rodham is just being overly sensitive to criticism. There is an element of truth to both viewpoints: Bill tends to be too critical of Hillary Rodham and Hillary Rodham tends to be too sensitive to the criticism; the combination can be disastrous! Hillary Rodham may try to ignore the problem, but ignoring the problem will not cause the problem to disappear. On the positive side, you are often able to work together effectively in meeting challenges and responsibilities. However, the tendency to become overly concerned with your responsibilities and be too conservative, cautious, and restrictive towards each other must not get out of hand, or you will both feel severely confined and restricted by being together.

Bill's Sun Sextile Hillary Rodham's Uranus:

Playfulness and a zest for newness infuse your relationship. You really spark each other's imagination and creativity. This quality is especially welcome in a long-term relationship because you will not fall into a lifeless routine. You spur each other to explore, take risks, and develop new creative outlets. You encourage each other's independence and you have faith in one another's creative, inventive ideas and interests.

Bill's Moon Opposition Hillary Rodham's Mercury:

Lively, insightful conversations are frequent in this sharing relationship. You love your deepest concerns, fears, and hopes with each other. You also enjoy discussing and analyzing issues at length. In general, these conversations are enjoyable and enlightening, but occasionally they may degrade into gossip and Hillary Rodham may sometimes take an overly intellectual, cool, detached approach to Bill's feelings.

Bill's Moon Opposition Hillary Rodham's Venus:

There is a great deal of warmth and kindness in this relationship. This is a personal relationship and you feel emotionally in tune with each other.

Bill's Moon Square Hillary Rodham's Saturn:

This relationship is not an easy one! There is a sense of responsibility towards each other that may encourage you to work together on practical, mundane, or tedious tasks together. However, you both feel emotionally constrained and inhibited by being together, and this relationship may feel like a form of imprisonment! Bill, in particular, may feel disheartened by Hillary Rodham's criticisms, worries, fears, or need to dominate Bill's life. Bill's emotional needs and feelings are ignored and neglected at times. Most likely there is too much emphasis on responsibilities and obligations. The serious tone of the relationship also stifles play and light-hearted fun-loving activities. This relationship may endure even when your feelings towards one another have cooled because there is a great deal of stability in it and reliability and responsibility to each other, even if there is little satisfaction over time.

Hillary Rodham's Moon Square Bill's Uranus:

The two of you can be eccentric and zany together. You snap each other out of your usual habits and you act spontaneously and creatively. Many times it is difficult for the two of you to focus on practical, mundane affairs together - you would rather spend your time together doing something more exciting and original. This relationship follows an unpredictable course and you are likely to come together and then drift apart frequently and unexpectedly.

Bill's Venus Conjunct Hillary Rodham's Neptune:

Subjects such as theatre, poetry, and music are likely to arise frequently when you get together. If you share an interest in similar artistic styles, you will find that this relationship enhances the artistic appreciation and sensitivity of both of you.

Bill's Mars Conjunction Hillary Rodham's Neptune:

When the two of you are together, you find it difficult to concentrate on mundane affairs. You enjoy sharing more imaginative or unusual interests, and your conversations frequently turn to artistic, psychological, religious, and metaphysical topics. You are more willing to be childish, playful and silly with each other than with others. However, you have difficulty bearing down on more serious matters and coordinating on practical affairs. Bill, especially, can feel confused and less purposeful when Hillary Rodham is around.

Hillary Rodham's Mars Conjunction Bill's Pluto:

You draw out of each other your deepest drives and desires. The two of you arouse a zeal and sense of mission in each other that makes it possible for you to jointly accomplish extraordinary tasks. However, your fears and anxieties are brought to the surface too, and there is no guarantee that your zealousness will produce positive, constructive results. You may become fanatical in an extreme and unbalanced manner. Also, jealousy and competition can be very volatile, disruptive, obsessive, and intense in this relationship.
