Your Soul Number is SIX.

Devoted, loving, and sympathetic, your life centers around the well-being of your family and those you love. A happy, harmonious personal life is what you value above all else. You will also find satisfaction in serving those in the outside world, becoming involved in the helping professions, in community service and affairs, or by giving generously of your time and help to your friends. You are protective, responsible, and conscientious towards those who depend upon you, and you are the ideal mother or father in many ways, though you can be too involved in the lives of your loved ones. Learn to allow family members the freedom and room to make their own choices and mistakes.

You respond to beauty, and are gifted in the arts. Creating a beautiful garden or home is very satisfying to you.

You are not aggressively ambitious, and prefer cooperation to competition. Easy-going and comfort-loving, you let others battle for personal glory and honor; you'd rather stay home!

Your Personality Number is NINE.

You are well-liked and well-loved by others for your warm heartedness, generosity, and forgiving nature. You seem sincere, kind, noble, and motivated by high principles. Petty selfishness is beneath you. You have a sentimental heart and you respond to life emotionally. You see more good than bad in people and are willing to give everyone a second chance. You can be a soft touch for every sad story that comes along.

Others feel comfortable and accepted by you, for you seem understanding, tolerant, and nonjudgemental. Though you are not self-seeking, you attract whatever you need into your life without much effort or struggle on your part. People naturally want to assist you.

You have artistic sensibilities and are sensitive to the colors, sounds, and emotional tones in your environment. You seek harmonious and peaceful surroundings. You have a taste for beauty and choose soft flowing styles. You love vibrant or pastel colors and usually avoid dark or murky shades.

Your Destiny Number is SIX.

You have a very helpful and sympathetic nature and your path lies in supporting, assisting, and serving others. You feel a sense of responsibility for human welfare and social justice and betterment, and have a strong protective concern for children, the ill, aged, or others in need of care. The helping professions, community service, or work with charitable organizations would be very fulfilling for you. You are also very domestic and devoted to your home and your family's well-being. If you are a parent, that may well be the most meaningful and important part of your life. You invest much of your time, love, and creativity making your house a HOME - a beautiful, warm, comfortable place to be and you have old-fashioned tastes, preferring the homemade or personal touch to something fancy, slick, and mass-produced.

You love and crave beauty, and have an artistic sense of harmony, balance, and color. You would enjoy flower gardening, making crafts, home decorating, etc.

Harmony, beauty, and service are your keywords.

Your Career Number is SEVEN.

You are suited for activities calling for serious study and research, investigation, specialization, precision, high standards, perfectionism, intuitive as well as rational intelligence, imagination. A cloistered or ivory-tower existence appeals to you. You want to be left in peace and not have to deal with the mundane business of life.

Careers and Vocations: Psychoanalyst, psychiatrist, surgeon, scientific authority, scientific researcher, archeologist, historian, authority on antiques, any work connected to the sea including marine biologist, deep sea explorer or sailor, metaphysician, astrologer, investigator of esoteric subjects, clergyman, theologian, authority on etiquette, form, or religious ceremony, investment counselor, detective, judge.

Your Missing Number(s) are:

FOUR: You lack stamina and are disinclined to persistent effort and hard physical labor. Laziness and lack of discipline may prevent you from realizing your goals. Develop a more down to earth, realistic approach to life, and learn to finalize and complete one project before undertaking another one. You may be a person with much abstract knowledge but little technical know-how. Develop some practical skills.

SEVEN: You are disinclined to probe deeply beneath the superficial appearances of things to discover the hidden aspects, the underlying reasons and causes, the deeper meanings. As long as everything seems to be fine on the surface, you look no further. You may distrust introspection and the intuitive, non-rational, or mystical approach to life, and are often out of touch with your own inner feelings and deeper needs. You also may lack a real, personal, sustaining religious or spiritual faith.

EIGHT: You lack business sense and may have little interest or ambition for material achievements and success. You can be very impractical and naive about finances, investments, legal procedures, and the ways of the world, thereby making foolish decisions. Try to develop an interest and an education in these matters to prevent regrettable and costly mistakes of judgment in your finances. You need to learn to manage time and resources more efficiently.

You disdain commercialism and don't understand its value. Therefore you are unlikely to be able to sell either products or ideas to others, which in turn may prevent you from sharing your creative efforts with a wide audience.

Your First Vowel is U.

Your instinctive response to any situation is to try to ACCOMMODATE and to please. You are accepting and you compromise readily. Often you will assume the blame for a bad situation even when it is not your fault.

Humor is one of the primary ways you respond to life and to problems. Good-natured, generous, and usually cheerful, you do not want to burden other people and sometimes hide behind your smile.

You are inclined to be lazy, to wait passively for things to get better, or for other people to make the first move. When under stress you are inclined to eat too much, drink too much, or find amusing escapes, instead of directly confronting your problems.

You are very well-liked and you depend a lot on the support of love of your friends. You are a giver and need to learn to say no when necessary.

Your First Initial is J.

Idealistic and high-spirited, you are a natural leader, inspiring others with your enthusiasm, confidence, and hope for the future. Your sense of humor, good will, sportsmanship, and fair play make you well-liked and respected among your peers. Though you enjoy competition and love to win, you are never mean-spirited or petty about it. Money, success, and many opportunities for growth and advancement come your way. You really enjoy money and you value highly the freedom it allows you. You are also generous and perhaps lax with what you have. You are pleasure-loving and, even though you are not lazy, you can be self-indulgent. Over-eating, over-drinking, over-doing, and over-reaching are your weaknesses.
